Where do Students
Turn for Truth?

Significance

"The intellectual elite believe God is dead and that a mindless evolutionary process is our creator. Students need to be prepared for the indoctrination."

Phillip E. Johnson, Professor of Law, UC Berkeley

Significance

**TODAY'S
COLLEGE STUDENTS
HUNGER
FOR TRUTH.
ARE THEY GETTING IT?**

Significance

Evil Triumphs When Good Men Do Nothing

Edmund Burke, 19th Century English Statesman

The Big Picture

- Significance: It is given to a great people once only in history to help decisively in saving the world.
- . . .If missed now, it may never be given them again.
- . . .What they can achieve in the name of Jesus Christ will redound to their honor for thousands of years.
 - Charles Habib Malik, Former President, United Nations General Assembly. Speaking on the need for Christians to reach and change the universities

Where We've Been Going

Our Mission is to Boldly Proclaim Jesus Christ and His Life-Changing Love and Truth to Every Person in the Academy, and Urgently Mobilize Professors as Co-Laborers in the Global Harvest.

Is There Scientific Evidence for the Existence of God?

Recent scientific discoveries point to an Intelligent Designer of the Universe

Walter Bradley is professor emeritus and former chair of Mechanical Engineering at Texas A&M University, a department of 65 faculty. His research interests include materials science and failure analysis, as well as the interface between biblical faith and contemporary science.

A Senior TEES Fellow, Dr. Bradley has directed nearly \$5 million in contract research and published 120 technical articles. With physical chemist Charles Thaxton and geochemist Roger Olsen, he co-authored the book *The Mystery of Life's Origin: Reassessing Current Theories*.

Dr. John Eidsmoe presents training on legal issues

Current Reality

- Strong on corporate ministry & corporate outreach
- Not as strong on individual ministry and training future leaders
- Not as strong on academic integration

Impact

- Think what it can mean to reach every person in the Academy with the love and truth in Jesus Christ and to effectively mobilize Christian faculty in the global harvest year in and year out?

Commitment

- To the mission and vision of CLM as contextualized for the Air Force Academy
- To grow as a leader as you trust God for the results
- **To put together a new leadership team**
- To take organizational leadership of the team
- To to determine the critical path and take your team along the critical path in order to achieve the mission and vision

Commitment

Can you see yourself being
used by God to give leadership
in this mission and vision?
